

Task List for Literacy Centers:

Please plan to spend 5-10 minutes per center. Use this sheet to jot notes at each literacy center. Please leave the materials at each center in a neat & orderly condition.. After you have completed all of the centers, please return to your tables & discuss.

Discuss at each station: What type of reader would benefit most from the activities at each station. How could you adapt the materials to support an emergent, beginning, or instructional level reader?
